EXECUTIVE PROFILE

Bilingual CFO and Finance Director with 20+ years of progressive leadership across oil & gas, automotive, fintech, banking, and luxury retail — in both startups and multi-billion-dollar multinationals across Latin America and the United States. Architect of 5 M&A transactions totalling over \$1.6B USD, including the \$470M OLX unicorn exit (LATAM's second unicorn). Deep expertise in US GAAP, SOX compliance, multi-entity consolidation, ERP implementation, project financing, and tax strategy. Recognized for transforming financially distressed operations into profitable businesses, building investor-ready financial structures, and serving as a true business partner to boards and executive leadership.

PROFESSIONAL EXPERIENCE

Fractional CFO | Mobik Retail (Hugo Boss, Burberry, Cartier, Louboutin CAPEX) Jun 2025 – Present
Luxury retail CAPEX provider serving top fashion brands across the US, Canada and Mexico. Manufacturing base in Tizayuca, MX. ~\$30M USD revenue.

- Brought in to structure and scale a startup that was operating at a loss — turned the business profitable within months, reaching a 15–20% EBITDA margin from a negative baseline.
- Implemented NetSuite ERP and integrated CRM/Monday.com, creating full financial visibility across 2 Mexican and 3 US entities for the first time.
- Led consolidation of 5 entities and restructured the organization — reducing headcount to align with revenue volume and eliminating structural cost inefficiencies.
- Established SOX-ready financial controls, US and Mexico compliance frameworks, and a scalable financial reporting infrastructure.

CFO – Controller (Hybrid) | American Home Protect — A Porch Inc. subsidiary Jan 2023 – Dec 2024
Home warranty business operating in 48 US states. Assets: \$100M USD. Revenue grew from \$40M to \$80M+ USD during tenure.

- Doubled revenue from \$40M to \$80M+ USD in 3 years by restructuring customer acquisition strategy — reducing CAC from ~\$1,000 to \$275 USD through digital marketing automation.
- Designed and implemented the revenue recognition model under ASC 606 and ASC 460 for a high-chargeback warranty business (40–60% monthly return rate), achieving clean EY SOX audit.
- Managed complex factoring model: policies sold and immediately securitized to banking partners, maintaining \$0 cash flow risk on a \$3,600 average policy value.
- Managed M&A of the warranty division and led due diligence process as part of Porch Inc.'s acquisition strategy.

Finance & Administrative Director | Banco Azteca — Grupo Salinas (Medios de Pago) 2021 – 2022
Digital payments division. P&L: 10B MXN. Balance Sheet: 20B MXN. Third-largest transactional bank in Mexico by cash volume.

- Managed CAPEX investment of 10B MXN for the Autoservicio project: installed 2,000 new ATMs and replaced 6,000 headcount positions, with a projected 6–7 year payback period.
- Oversaw the launch of BAZ — a digital marketplace platform — which recovered ~60B MXN in transactional volume after the government transferred 120B MXN in social programs to Banco del Bienestar.
- Banco Azteca handles 28B USD of Mexico's 65B USD annual remittance flow (Western Union's largest partner in Mexico) — managed the financial reporting of this operation.
- Digital payment volume grew 200–300% during tenure, driven by BAZ platform expansion and changarrito merchant affiliate network.

Consultant — Restructuring & Spin-Off | Elementia — Grupo Carso (Cement & Materials) 2021 — 6-month project

Public company spin-off: divided Elementia into Elementia Materials and Elementia Cements. Total scope: 50B MXN including US cement operations.

- ▶ Executed full valuation of goodwill for construction assets (\$600M USD) and impairment of cement plant assets (\$3B USD).
- ▶ Valued currency swap portfolio and prepared the spin-off balance sheet and regulatory reporting for the Mexican stock exchange (BMV).

CFO | Frontier Car Group — VenteTuAuto.com (sold to OLX / Naspers) 2018 — 2020

Used car marketplace startup — LATAM's second unicorn. Sold to Naspers/OLX for \$470M USD.

- ▶ Led financial strategy for the startup from Series Seed through Series A (\$10M), Series B (\$20M), and Series C (\$50M) — raising \$125M USD in total funding.
- ▶ Drove 3X annual revenue growth and prepared the business for a full exit — due diligence led by McKinsey, resulting in a \$470M USD sale to Naspers/OLX.
- ▶ Designed and executed the full financial infrastructure including SAP implementation, FP&A model, and investor reporting for the board and external funds.

Group CFO — Automotive Division | Grupo Autofin (130 companies: King Autobuses, Bajaj, Armored Vehicles) 2014 — 2017

Mexican conglomerate with 60+ car dealerships, motorcycle manufacturing, armored vehicles, and banking. P&L: \$1.5B USD. Led IPO readiness process targeting \$12B MXN valuation.

- ▶ Consolidated financial reporting for 130 companies across multiple industries — 2016 was the Group's best-ever year with EBITDA exceeding 1B MXN.
- ▶ Led IPO readiness project in collaboration with Goldman Sachs, targeting a \$12B MXN valuation — process ultimately shelved at the controlling family's discretion.
- ▶ Managed CAPEX of 2B MXN in infrastructure, including the Bajaj motorcycle plant in Tultitlán (500M MXN) and armored vehicle factory (1,500 units/year).
- ▶ Acquired Fairmont Hotels for \$155M USD — structured with only \$5M USD equity, financing the balance 4:1 through debt.

Finance Director Mexico | CGG — French Deep-Water Oil Services Company 2012 — 2014

Managed \$3B USD CAPEX and \$1B USD P&L across 5 Mexican entities. Gulf of Mexico WAZ deep-water project: \$1B USD annual revenue.

- ▶ Implemented factoring collections through Cadenas Productivas for \$100M USD, significantly improving working capital.
- ▶ Executed M&A with Fugro, creating Seabed (Shallow Waters Co.) — a landmark transaction in the Mexican offshore sector.
- ▶ Won a landmark SAT tax litigation of \$945M USD (technical assistance deductibility case) after a 3-year legal battle, working alongside PwC and Chevez Ruiz Zamarripa.

CFO — Project Finance | Kinross Gold Corporation — Fruta del Norte Greenfield Project 2010 — 2012

Ecuador. CAPEX: \$1.4B USD gold mine project financing.

- ▶ Structured and closed \$1.4B USD project financing through EximBank, Canadian Development Agency, CAF, and corporate bond issuance — enabling one of Ecuador's largest mining projects.

LATAM Regional Finance Officer | Petroleum Geo-Services (PGS) 2002 — 2010

8-year role as Head of Finance for Latin America. Balance Sheet: \$700M USD. P&L: \$500M USD. Operations in 8 countries.

- ▶ Led M&A transaction selling PGS's LATAM onshore exploration division to Geokinetics for \$200M USD.
- ▶ Managed financial reporting across 8 LATAM countries: Mexico (Pemex), Brazil (Petrobras — \$300M USD), Venezuela (PDVSA — \$80M USD, acted as country manager), Colombia (BP), Peru (Camisea), Ecuador, Bolivia (Repsol) and Argentina.
- ▶ Won a second SAT tax litigation (reimbursable expense deductibility) in collaboration with Chevez Ruiz Zamarripa — protecting hundreds of millions in deductions.

Senior External Auditor | Deloitte (Big 4) 1996 — 1999

Audited major multinationals including Nabisco Royal, Kraft, CODESA, and Cedal across inventory, AR, and P2P cycles.
